LEARNING

Aranmore Catholic Primary School cherishes each child as a special miracle and we provide opportunities for children to engage in meaningful experiences for successful, creative, lifelong learning.

At Aranmore Catholic Primary School we acknowledge that families are the most powerful influence on children's lives and that learning outcomes are most likely to be achieved when educators work in partnership with families. Aranmore Catholic Primary School support parents in their important role as the first educators of their children.

Aranmore Catholic Primary School recognises that warm and respectful relationships with familiar adults are fundamental to children's learning and development. Educators acknowledge the benefits for children and families of feeling welcome and value Kindy and work hard to ensure these relationships are formed and maintained.

Aranmore Catholic Primary School provide quality programs based on an understanding of current brain development and early years research. We know that the early years are when brain development is most active. At this time, all children's experiences – physical, cognitive, linguistic, religious, spiritual, social and emotional - are critical, as they impact on learning and later outcomes in life.

Children have a natural curiosity and desire to learn. Child development experts indicate that children in the early years learn most effectively through play based experiences. It is through these experiences that children make sense of their world, as they engage with others and the environment.

The early childhood programs at Aranmore Catholic Primary School involve learning that is a balance of intentional teaching and play based learning, that provide children with opportunities to explore, discover, imagine and engage in purposeful and meaningful experiences.

Children who engage in quality play experiences are more likely to have well-developed memory skills, language development and are able to regulate their behaviour, leading to enhanced school adjustment and academic learning' (Bodrova & leong, 2005).

At Aranmore Catholic Primary School we design learning programs that 'capture the integrated and complex learning and development of all children' by pursuing the five outcomes in Belonging, Being and Becoming: The Early Years Learning Framework for Australia. This framework clearly stipulates that children:

- Have a strong sense of identity
- Are confident and involved learners
- Are connected with and contribute to their world
- Have a strong sense of well-being
- Are effective communicators

The Early Years Learning Framework is implemented at Aranmore Catholic Primary School in conjunction with the Western Australian Curriculum Framework and Western Australian Kindergarten Curriculum within the context of a distinctive Catholic program which aims to develop children as followers of Jesus in today's world.

The rich and diverse communities of which the children are a part are valued and understood as central to their lives and learning. At Aranmore we respect the history, culture, language and traditions of families and communities and see learning in a social context built on collaboration and community participation.

DAYS AND TIMES

- Kindergarten days are **Tuesday, Wednesday and Thursday**. We offer an **optional fourth day on Fridays** (Please see the office for further information).
- The Kindergarten **doors open at 8:30 am**. We invite parents to stay until the bell is rung for mat time at 8:45 am.
- The beginning part of our day is important as it gives your child an opportunity to settle into the new day and learn about what activities are occurring throughout the day.
- Kindergarten **finishes at 2:45 pm** each day. At the end of the day we will ensure that your child is safely placed in your care.
- It is important that you are on time when picking up your child as children become upset if parents are late. If you are running behind schedule please ring the Office to advise them and they in turn will notify us.

SETTLING IN

- Children love coming to Kindy however sometimes some children may get upset when their parents drop them off.
- **Tips for parents:**
 - When it is time to leave, please say goodbye to your child, rather than slipping away quietly and trust that even if they are upset, they will quickly settle.
 - Remember also that our Kindy staff are trained to deal with upset children so if your child is reluctant to let you go, please hand them over to a staff member and walk out the door without looking back. It is best that you do not linger as this only makes it harder for your child to settle.
 - Sometimes it can take a few weeks for a child to settle but be reassured that they do settle in time.

ATTENDANCE

- Whilst Kindergarten is not a formal part of schooling, children are more secure with routine and friendships are more easily nurtured with regular attendance.
- Please notify the school office by 8:30 a.m. should your child not be attending school and advise a reason for their absence.
- Please notify the school in writing when your child returns after a period of absence, stating the date of absence and the reason for the absence.

PICK-UP ARRANGEMENTS

- **If someone other than yourself is collecting your child, please note this on the Kindy 'Today's Pick-up' notice board which is located just inside the classroom door.**
- Please note that we will not hand your child over to someone who has not been made known to us.
- If your child is to be regularly collected by someone else, please make a note of this on the 'Ongoing Pick-up Arrangements' notice board which is also situated just inside the classroom door.
- Children who are not collected at 2.45pm will be brought to the Administration office to wait for you.

Children must be dropped off and collected by an adult, therefore parents are asked to park their cars on neighbouring streets.

Parking is restricted in the Kiss & Ride between 8-9.30am and 2.30-3.30pm, so please ensure that you read all signage.

Out of School Hours Care (Gumtrees)

By partnering with the **YMCA**, Aranmore Catholic Primary School provides a value-added service to its school community by offering Outside School Hours (OSH) Care Program, **Gumtrees** at 22 Brentham Street, Leederville (right next door to the school). The centre is open for early morning child care from 7.00am and after school care until 6pm. Gumtrees also offers a wonderful school holiday program. Further information can be found on the school website.

- In summer, sunscreen should be applied before the children come to school. Sunscreen can be kept in their bags for the children to re-apply if required during the day.

GUIDING CHILDREN'S BEHAVIOUR

- The role of the Kindy staff is to encourage positive behaviour and interactions through positive reinforcement eg praise, stickers etc.
- Kindergarten children are usually very good at following the classroom rules. We guide children by reminding them of the boundaries and this is usually all it takes to set them back on task. If a child does not respond to this initial reminder and they continue to display inappropriate behaviour, then we will give the child some 'thinking time' or 'time out' as an opportunity for reflection. Typically this is one minute for each year of their age.
- The Kindy children love to visit our Principal, Mrs Williamson, to show her their wonderful work, get a treasure from her treasure chest or sing her little songs.

COMMUNICATION

- Learning Journeys are held one evening from 3:30 p.m. – 6.30 p.m. in Terms 1 and 3. These evenings provide an opportunity for parents to come into the classroom and for the children to showcase some of their wonderful work to their parents.
 - Samples of your child's work will be displayed in the classroom and are then collected in a portfolio. The children will take these home at the end of the year to showcase their learning journey.
 - Parents are more than welcome to come and chat with the teacher about their children's spiritual, academic, social, emotional, physical progress during the year.
 - There is no formal reporting in Kindy however, Kindy Teacher and Parent Interviews are held mid-year. These give parents and the Kindy Teacher the opportunity to discuss the progress of their child.
-
- **Parent Roster**
 - We love to have parents coming to visit us in Kindy. Please write your name on the Kindy roster whenever you are available to come in and help us in the classroom. We ask that you stay for the morning session, up until morning tea time. You play a critical role in the success of your child's Kindergarten year, so please support us in the classroom.
 - Being on parent roster is a special time for you to enjoy with your Kindergarten child in their classroom. Unfortunately we are unable to invite siblings into the classroom during this time.
 - It is important to stress that parent helpers are not permitted to discuss with others the behaviour or performance of any of the students. In this way we safeguard the feelings of others and maintain high levels of professionalism and confidentiality.
 - We welcome grandparents on roster however a Working with Children check is required by all helpers, aside from parents. The Working with Children card will need to be presented to the front office prior to coming on roster.
