## Dear Parents

**National Reconciliation Week** is next week and it is an opportunity for us all to recognise the positive contribution Aboriginal and Torres Strait Islander people have on our past and present lives in Australia. It is also a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort. The theme this year is *Don't Keep History a Mystery – Learn, Share, Grow*.

It is important for the classroom teachers to be aware of which **outside therapies** your child is involved in so that we can all work together to assist your child. If possible, appointments should take place out of school hours so the children do not miss out on their schoolwork however sometimes that is not always possible and we are willing to accommodate during school hours appointments if required. Please make an appointment to see me should this be the case for ongoing appointments. The teachers are very happy to communicate with the therapists to discuss your child's needs and to reinforce at school what actually occurs at therapy. If you have any written reports from your therapists, it is important that you send a copy to the office so that the teachers are updated with the progress your child is making. It also assists the teachers in gaining an overall understanding of your child's growth, development and learning needs.

Thanks so much to the staff, parents and children who were able to come in last Saturday morning to help with the School Garden Busy Bee. Your generosity of time on the weekend was very much appreciated and the garden is now ready for some serious planting to occur. Thank you to Mrs Raschilla, our Garden Co-ordinator, who puts in so much effort into the garden. Her time is limited though so **if you know of someone who is willing to come in once a week to tend to the garden** please let Mrs Raschilla or Amanda at the front office know. **It would be a perfect role for a grandparent who has green thumbs or just like pottering in the garden!**

Our **P&F** are as busy as ever. Paula Buttegeig is very busy with the **Entertainment Book Fundraiser** at the moment, Alf Parolo is gearing up for the **Bunnings Sausage Sizzle** coming up in a few weeks, Valissa Foord is preparing for the **Disco** for the children on the 9<sup>th</sup> June. Thank you so much to our very keen and committed P&F. Your hard work is to be commended.

## CURRICULUM

### THE IMPORTANCE OF HOME READING

Reading **to** our children is just as important as **listening** to our children read aloud. Not only does this practice foster a love of reading, it helps to extend literacy skills such as fluency, vocabulary and comprehension. Consult with your child's teacher about the appropriate reading level your child should be bringing home. Remember, home readers should be easier than the text levels read in class. This is because home reading should focus on the skills of fluency and comprehension, not decoding or word attack skills (e.g. sounding out). Home reading should foster an enjoyment of reading, not be a chore. (image source:

## WHY READ 20 MINUTES AT HOME?

Student A Reads	Student B Reads	Student C Reads
❖ 20 minutes per day.	❖ 5 minutes per day.	❖ 1 minute per day
❖ 3,600 minutes per school year.	❖ 900 minutes per school year.	❖ 180 minutes per school year.
❖ 1,800,000 words per year.	❖ 282,000 words per year.	❖ 8,000 words per year.
		
❖ Scores in the 90 <sup>th</sup> percentile on standardized tests.	❖ Scores in the 50 <sup>th</sup> percentile on standardized tests.	❖ Scores in the 10 <sup>th</sup> percentile on standardized tests.

### ICAS

The students will be sitting the Science ICAS test on Tuesday 29<sup>th</sup> May at 11:10am.

### AUSTRALIAN MATHEMATICS COMPETITION

The Australian Mathematics Competition is on Thursday, 9 August 2018 at 9.00am sharp. This competition is organised by the Australian Mathematical Trust. Competitors are asked to solve thirty problems in 60 minutes. The problems are designed to test mathematical thinking and questions are designed so that they can be answered just as quickly without a calculator as with one. The problems get progressively more difficult throughout the competition.

The competition is open to any **students from Year 3-6** that wish to participate. This competition is not compulsory therefore if you wish your child to participate please complete the form at the end of the newsletter and return it to school, along with the correct money, in a clearly marked envelope by **Friday, 11th June 2018** at the latest. The cost of this competition is **\$6.50**.

### PARENT LITERACY WORKSHOP – EVENING SESSION – PRE-PRIMARY & YEAR ONE

During these workshops, the Aranmore Catholic Primary School teachers will give you information on how to support your child in their literacy development. This evening session is a combined Year 1 and Pre-Primary session, being held for the parents who were unable to make it to the daytime sessions. **The exact same information will be given at the evening sessions as was disseminated at the day time sessions.** If you plan to attend, it is important that you register your attendance at one or both events by clicking here <http://bit.ly/ACPS105>

**WHEN: 20<sup>TH</sup> June at 6:30pm School Library**

If you wish to participate but cannot make it on this evening, please make an appointment to see the teachers and they will hold a one-on-one session with you and provide you with any reading materials. An after-hours session will be held next term for those who cannot make it.

Assistant Principals

## GARDEN

### GARDEN NEWS

THANK YOU.....THANK YOU..... THANK YOU  
A most sincere *Thank you* to all the parents, teachers and children that attended the busy bee in the school vegetable garden last weekend. We were able to achieve everything on the 'To do' list.

Garden beds are weeded and prepared, raised garden beds were assembled and filled with soil, everything was mulched and placed in the compost baskets and general weeding and tidying of the garden area was completed. It looks amazing.

The Pre-Primary Green children were excited to visit the garden to plant some strawberries. A big thank you to the Verheyen family for donating the strawberry plants. Year Four Red planted potatoes and are looking forward to cooking potato wedges later in the year.

### GARDEN HELPERS

I am in need of a parent/parents to assist with general maintenance for approximately 2 hours per week in the garden. If you are able to help out and would like to be placed on the roster, please contact me via the office. Please specify a day of the week that suits you.

**Mrs Lynn Raschilla, Garden Coordinator**

## LIBRARY

Thank you to all the parents and students who visited our '**PAWS for BOOKS**' Book Fair during the week. There were lots of books and stationery items available for purchase. It was lovely to see the excitement and smiling faces of the children as they made their selections.

We do appreciate your support. All funds raised go to new resources for the Library.

**Mrs Julie Gray, Teacher Librarian**

## ADMINISTRATION

### VISITING DURING SCHOOL HOURS

All Visitors to the school must abide by the school's Code of Conduct. This code is implemented across all Catholic Schools in the WA and can be accessed via our website. If you are visiting the school during school time (8:30-3:00pm) you must sign in at the front office and then sign out when leaving. This includes if you are helping in the classrooms, dropping of lunches or assisting with school based events.

### SIGNING CHILDREN IN AND OUT

It is important to remember that when your child / children either arrive late for the day or are picked up before the end of the day, that they are signed in or out. Please note: If you are signing your child out of school, Mrs Ellen will call for your child / children from their class. Parents are not required to collect their child from class.

### ARANMORE SWIM CLUB

Well it was a morning of much activity on Tuesday and it seemed everyone had jumping beans in them and couldn't keep still. So coach Roslyn and coach Dan kept everyone moving, that is until there was an emergency in the gym. At that stage everyone had to be evacuated from the pool where we all did some breaststroke drills on the pool deck while we waited to go back in. A man had had a heart attack and the life savers were needed to help with CPR, this meant there was not enough water safety people for the indoor pool so we had to stay out of the water. I spoke to the pool manager who said that when the ambulance arrived the man appeared to be doing well. Let's keep that man and the good work of the lifesavers in our prayers this week.

When we did get back in the pool coach Dan had an excellent idea to do half pool relays which meant everyone swam shorter distances and harder. Everyone seemed to really enjoy this after being out of the pool for a good 15 minutes. Good thinking coach Dan.

Right coach Alison is back next week (phew!) so toes in at 7am please.

Dear Parents,

The Australian Mathematics Competition is on Thursday, 9 August 2018 at 9.00am sharp. This competition is organised by the Australian Mathematical Trust. Competitors are asked to solve thirty problems in 60 minutes. The problems are designed to test mathematical thinking and questions are designed so that they can be answered just as quickly without a calculator as with one. Competitors mark their responses on a mark-sense sheet and these are processed by the computer. The problems get progressively more difficult throughout the competition.

The competition is open to any students from Year 3-6 that wish to participate. This competition is not compulsory therefore if you wish your child to participate please complete the form below and return it to school, along with the correct money, in a clearly marked envelope by **Friday, 11<sup>th</sup> June 2018 at the latest**. The cost of this competition is **\$6.50**.

If you have any queries in regard to the competition, please do not hesitate to contact me.

Kindest regards,

Sarah Lister  
Extension Coordinator
