Dear Parents

Next week Aranmore Catholic Primary School will be involved in a School Cyclic Review. The School Cyclic Review provides an opportunity for a panel of educators, external to the school, to affirm, challenge and report on the improvement journey at the school. The school cyclic review focuses on the effectiveness of a school's engagement with self-review, the impact of self-review on school improvement and the future directions for the improvement of student outcomes that the school has identified.

School Cyclic Review occurs once in a five-year period and contributes to the compliance of school re-registration regulations in this state. A School Cyclic Review panel will be visiting our school. As part of that process they will be meeting with the Leadership Team, a selection of staff, parish priest and nominees from the School Board and P&F President. The panel will also tour the school and visit classrooms.

At the conclusion of the school cyclic review panel visit a report, that comments on our school improvement processes and strategic direction, will be written and forwarded to the school. This will be used for future direction planning for the school.

The P&F event of the year is here - Retro Bingo Night tomorrow night. I look forward to seeing you all there decked out in your 70s or 80s gear! Thank you to all of the P&F Committee for their hard work in planning for this exciting event. It promises to be lots of fun.

**FEAST OF THE ASSUMPTION: MONDAY, 15 AUGUST**

This is a Holy Day of Obligation.

Mary was a very special person in every sense of the word. She was the Mother of Jesus and as such was born without original sin. As a fitting reward for the life she dedicated so wonderfully to God, she was taken up to Heaven, body and soul, when the course of her life on earth was finished.

‘Almighty, ever-living God, you raised to eternal glory the body and soul of the Immaculate Virgin Mary, Mother of Your Son. Grant Grant that our minds may always be directed heavenward and that we may deserve to share her glory. Amen’.

SLEEP AND LEARNING
Good-quality sleep helps your child concentrate, remember things and behave well. These all help them to be a successful learner.

Poor sleep, or not enough sleep, affects concentration, memory and behavior, making it harder for your child to learn. Children who don’t sleep well are more likely to feel sleepy and to have difficulties with learning.

Children aged 6-9 need 10-11 hours sleep a night. It is important that bedtimes reflect the age of the child. Younger children need more sleep and should be in bed before older siblings. This practice also signifies that people of different ages get different things. Siblings don’t always get the same things. This will be especially important concept for your children to appreciate as they mature. It will be ok for your 15 year old to catch the bus to town but the same won’t be so for your 12 year old.

PATHS
Next week the children will continue to focus on Respect as their value of the fortnight. Respect means that we care for the feelings, wishes, or rights of others. Respect means that we consider other people in all that we do.

SWIM CLUB
Well it was another very very cold morning today and even I would have liked to have stayed in bed so I was so impressed to see 19 swimmers brave the cold and enjoy the balmy indoor pool. We had a newbie too! Neive Molloy from Grade Two put in a great effort so well done Neive.

Now we have our guest coach next week (9/8) and the week after (16/8) so please be on time and ready to show Alison our Aranmore sporting spirit.
