2022 Term 1 Week 4

*God of love,
In you we find the source of all love.
We your people gather now,
Believing in your unconditional love for all.
May we who have been entrusted with the faith formation of our children,
Be given the grace we need
To draw our children into the mystery of your love,
Through our loving care of them.
Amen.*

This weekend we welcome students and their families to our parish masses to bless them on their journey of preparation to receive First Penance or First Eucharist of Confirmation this year. Preparing to receive a sacrament is an acknowledgement that families are choosing a life guided by faith for their children, enriched by a deep love of God received through the sacraments.

We offer our prayers and thoughts to families that they are guided by the holy spirit in this special time of preparation, enriching and nourishing each one of them to be closer to Jesus.

Once again, thank you to parents and carers for assisting in the drop off and pick of students. The kindergarten and pre-primary children are experts at taking their bags inside the gate, putting them in the correct bag locker and playing. So grown up! Thank you to the parents who are using Kiss n Ride and not stopping on the shoulder of Brentham Street, which can be very dangerous.

The year 3 to 6 students had a great time at swimming lessons over the past 2 weeks. Lots of progress made and lots of fun had. Unfortunately, due to COVID restrictions, we have cancelled the faction swimming carnival. We will consider holding the event ought the opportunity present itself to reschedule this later in the year. The fate of the interschool swimming carnival is yet to be determined.

Mercy kindness we've noticed this week: Students lining up at canteen patiently and using great manners. Students helping each other with swimming bags and belongings, to and from lessons. Students visiting the office respectfully acknowledging Mrs Moses and Mrs Joseph. Out of school, we have students offering food to the homeless. It is heart-warming to see and hear our students growing in awareness and kindness.

Next Wednesday we celebrate Ash Wednesday. At this time, the year 6 students will walk to St Mary's for 9:30am Mass. Students in Kindergarten to year 5 will participate in a Liturgy of the Word and the Ashes will be distributed.

We remember Lent as a 40-day period for Christians as a time to reflect, fast, and give penance in preparation for the resurrection of Christ Easter Sunday. The theme for our Project Compassion fundraising is '*For All Future Generations*'. Our support can help to change the lives of some of the world's most vulnerable people. We hope to contribute to the cause of raising much-needed funds for people living in poverty. Together we can make a difference for now and All Future Generations!

School Photos are scheduled for next week, Thursday 3 & Friday 4 March. COVID protocols will be in place for the photographers, and we will manage the shoots with the guidelines that are already in place for social distancing and for grouping children. Fun fact: did you know that the whole class photo is shot in small groups and then photoshopped to make the whole group?

The 2022 School Advisory Council welcomed each other last week and elected an Executive. The 2022 Council is:

Chair	Jayne Taylor
V Chair	Tennille Mitsopoulos
Treasurer	Tim Jeffery
Secretary	Daniel Holbrook
Councillors	Martin Boylen Elle Gonzalez-Skuja Julian Smith
Ex-officio	Fr Joseph Angelo Jonnine Lamborne
Invited	Sarah Pracilio Renaë King

The role of the Council is to work with the Principal, to enact Quality Catholic Education (accompanies the newsletter) across the Catholic School community, as well as strategically plan for the present and future operation of your school.

The Advisory Council represents our community and plays an active role in nurturing and strengthening the Catholic culture of our school.

The 2022 Parents' Association also caught up last week to welcome each other and elect an Executive. The 2022 Executive is:

President	Rebecca Fiorentino (Mule)
V President	Paula Clemente & Andrea Tan
Treasurer	Michelle Bowen
Secretary	Flor Watson (Tassone)
Members	Tennille Mitsopoulos Marie Lucano Danielle Hadley Angela Ireland

The role of the Parents' Association is to contribute in a positive and practical way to the school community. The Parents' Association helps develop trusting and collaborative relationships between all members of the school community, which contribute to the wellbeing of all. This may entail fund-raising and friend-raising activities.

Congratulations to those representing both groups in our school and we look forward to a very happy and successful partnership this year!

At Aranmore, **supervision of students** begins at 8:10am and concludes at 3:20pm each day. We ask that parents make use of Gumtrees out of school hours care if you require assistance earlier or later in a day.

The school app is another MUST have. This app is used to quickly inform parents and carers of important information. Don't forget to turn 'notifications' on so that you don't miss a message. Please download from either the App Store or Play Store.

Please refer to the website or the app calendar for the latest term dates. Due to current restrictions, lots of changes have been made.

In the best interests of looking after children safely, the following child protection matter is in place: Bathroom and toilet facilities are available for all visitors to school in the administration area. **All adults, siblings and visitors must use the facilities available in the administration area. Parents are not able to accompany their child to student toilets.**
