2022 Term 1 Week 6

## *First Week of Lent*

*Lent is about Reconciliation  
Our Lord forgives us all our sins;  
Nothing can separate us from the love of God for us in Jesus.  
We are called to forgive others  
with the same compassion, mercy, patience, and love given to us.  
Our Lenten practices help us to  
experience the renewing love of God,  
and they prepare us for our journey to Easter.*

*We ask and pray for new life.  
Lord, help us to see your love.*

*Allow us to celebrate your love  
and feel your undying love for us.*

Parents of students who are receiving the Sacrament of Reconciliation are reminded to contact Fr. Angelo with their information forms as soon as possible. Celebration of the Sacrament is scheduled for 23 March, 6pm, St Mary's Church Leederville.

Several staff changes for next term. Mrs Roslyn Twine has accepted the position of Music teacher at Padbury Catholic Primary School, effective term 2. Roslyn has spent over 16 years developing a robust, excellent, well known and loved music program in our community. Miss Kerrin Du Toit will be finishing at the end of the term. We thank Miss Du Toit for her commitment to her students, teaching standards and commitment to enhancing the great work of our school. We offer Mrs Twine and Miss Du Toit much happiness, good health and success as they pursue their interests. We will thank and farewell Mrs Twine and Miss Du Toit at the end of term.

Lots of Mercy kindness has been noticed over the past 2 weeks. Examples seen include, the year 6 'safety council' developing very happy positive relationships with the pre-primary students, teaching them how to play rule-based games. The year 3 students working together at their Reconciliation Retreat today. Staff working together to learn new disability and discrimination standards and curriculum requirements.

The 2022 School Advisory Council worked diligently over the past 2 weeks contacting the City of Vincent Councillors and discussing the proposed land sale of Lot 26 Brentham Street. Our Council members discussed the proposed process of sale and the refurbishment of Wylie Place green space and access. Their discussions were most helpful and at the Council meeting on Tuesday evening, after a lengthy discussion, the Council voted to sell Lot 26, with the proposed school amendments. The amendments include the school being consulted more thoroughly in the sale process, and the refurbishment of Wylie Place and the proposed 'play' area for our students. The School is in a very good position to collaborate with the Council and I am extremely grateful for the work of our Councillors.

## COMMUNITY ANNOUNCEMENTS

### Swimming

We had an excellent turnout at swimming last week. So much so that when we moved to the 50m pool for the second half of the session we split into two groups. One group worked on their dives while the other group worked on their streamline push off the wall at the shallow end. After everyone had an opportunity to practice we then swapped.

Thanks so much to the parents that assisted. I can see some improvement in both our swimming and our diving after only a few weeks.

We will see you all back bright and early on Tuesday 15th March.
