## Community Meeting

The School Advisory Council invites you to a community meeting to learn of the operation modifications for the school in 2023. We welcome parents to a meeting in the Library Wednesday 21 September at 6:00pm.

## Canteen Help Required

Looking for canteen helpers for the last 4 weeks of Term 3. If you could assist, please contact the office.

## State Government Rapid Antigen Tests

Are available for families who have yet to take up this offer. Please contact Mrs Moses or Mrs Joseph (Fridays) to collect your family's allocation.

## School Uniform

Our school uniform has always been integral to the sense of belonging to our Aranmore family. Students wear their uniform with great pride and are easily recognised in the community. All students are required to wear our school uniform. Recently there have been some deviations from our school uniform expectations. The expectations are:

- students' haircuts are conservative and not coloured
- black school shoes are school shoes, not black runners
- hair that is longer than the collar is tied back, and hair is clipped or pulled away from the face.  
**This includes mullet haircuts**

The school will support families who require assistance providing their child with the correct uniform. Please contact the office if you require assistance.

## Lost Property

There continues to be an embarrassing amount of lost property in the big brown box near the library entrance. If your child is missing clothing items, please find some time to have a look. All clothing needs to be clearly labelled with your child's full name and this helps in the return of misplaced items. The box will be emptied at the end of the term. All items that can be reused will be cleaned and offered on the second-hand rack. Items that are not suitable for resale will be binned.

## Kiss and Ride

Reminder that there is NO PARKING on the east side of Brentham Street from 2:30pm. Please park on the west side of Brentham Street if you need to leave your car to pick your child.

**The School App** is another MUST have. This app is used to quickly inform parents and carers of important information. Don't forget to turn 'notifications' on so that you don't miss a message. Please download from either the App Store or Play Store.

The school app calendar will be updated during the holidays for dates in term 3. For the latest information and any changes, please check the app.

## Bathroom and toilet facilities

In the best interests of looking after children safely, the following child protection matter is in place:

## **2022 Interschool Basketball Slam Series**

Well done and congratulations to all our students who represented the school at this week's Slam Series Carnival.

Aranmore B Boys fought courageously throughout their competition and never gave up. For some of the players it was their first experience in basketball interschool competition. The boys learnt a lot about working as a group and dealing with resilience. Well done to our Aranmore B Boys.

Our Aranmore Girls had a fantastic competition. They progressed into their grand final only to be defeated by two points. The girls clearly improved and enjoyed working as a team with every game they played. Congratulations girls on being awarded Runner Up.

What a finish to the Boys' finals. The organisers commented it was one of the best finals they have ever witnessed. The Aranmore A Boys proceeded to the finals without being defeated. Their final's game went to a nail-biting extra time, only to be defeated by two points. Hold your head up boys and congratulations on an outstanding performance. You made us all proud of you.

A huge thanks to Troy Clarke, Marshall Gillam and Alek Lackovic who coached their respective teams. Our students clearly responded to your guidance and coaching. Thank you for instilling our Mercy values of respect and excellence to the children throughout all their games.
