## Dear Parents

Congratulations to the **Year Three children** who celebrated their **First Reconciliation** last night at St Mary's Church. This is a very special sacrament whereby the children learn about the unconditional love of God and that He is always ready to forgive us for when we make wrong choices or stray from Him. A special thank you to Father Angelo for celebrating such a beautiful ceremony and to all the visiting priests who assisted. I would also like to thank Year Three classroom teachers Mrs Helen Bubnich and Mrs Anita Lombardi for preparing the children so thoroughly for the sacrament and for ensuring that they have a very good understanding of love and forgiveness. Thank you also to Assistant Principals Ms Tania James and Miss Sarah Lister, for working closely with the parish to ensure that the programme ran smoothly during the term.

Please keep the **Year Four children** in your prayers as they undergo final preparations for their **First Holy Communion** which will be held on the weekend of the 15th and 16th of September.

I hope to see many of our Aranmore dads at our special **Father's Day Prayer Service** and light breakfast next **Friday 31st August at 8.00am**. It is an opportunity to honour all dads within our Aranmore School community and pray for all dads who may no longer be with us. I look forward to seeing lots of dads with their children for the prayer service. Special thank you to Peta Edler for organising the P&F Father's Day Stall where children will be able to buy something special for their dads. Please see the P&F section for further details.

The Catholic Church in Australia dedicates 26 August to **World Day of Migrants and Refugees** this year. Welcoming migrants and refugees in Australia begins with an open heart and an open mind. As the history of our nation has shown, we are a country that has many migrants and refugees, contributing to a multi-cultural society where people are able to share, understand one another, journey together and grow in unity. Aranmore Catholic Primary School also has many refugees and migrants and this is one special element that makes our school unique. This week let us bring to mind our Mercy values of Compassion, Justice, Dignity, Hospitality and Mercy as we pray for Refugees and Migrants within in our own school community and in Australia.

**Mercy Connect** is a volunteer programme run by Mercy Works, Sisters of Mercy. This programme recruits, trains and supports volunteers to assist school students and their families settle into Australia. The volunteers offer guidance to students as they settle into the Australian school system. They provide support that nurtures well-being and self-esteem. As part of our Evangelisation Plan and Social Justice programme, Aranmore Catholic Primary School is partnered with Mercy Connect. This connection is also part of our mission to further enhance the Mercy charisma at our school. Please make our Mercy Connect volunteers Sheba Thomas, Lorraine Thomas and Kobra Rezazadeh welcome in our school.

The theme for **Bookweek** this year is 'Find Your Treasure' and we certainly had a school full of 'pirates' searching for treasure as the entire staff as well as lots of children, got into the spirit and all dressed up as pirates from different books! The children were a delight to watch as they dressed up in a variety of costumes such as Little Red Riding Hood, Harry Potter, Snow White, Dorothy and so many more! Big thankyou to Mrs Gray and Mrs Gane for organizing a great week for the children to enjoy. Please visit the **"What's News"** section on the School Website to see some great Bookweek photos.

Congratulations to Elle and the P&F Committee and many others who helped make **Retro Bingo** such a fun and entertaining evening. The many hours of planning, organisation and hard work prior to the event, as well as on the night and afterwards in the clean-up, was phenomenal. Thank you so much to everyone involved including all who purchased tickets and came along on the night. It was great to see lots of parents and staff coming together in the spirit of fund-raising as well as friend-raising, strengthening our beautiful community feel.

### LEARNING JOURNEY NIGHT

When: Tuesday 18th September

Time: 3:15pm-6:30pm

Learning Journeys are an informal, student led form of reporting. Please keep in mind, this is not an opportunity to discuss your child's achievement and is not a time for parent teacher interviews. **This is purely, a student learning led activity.** If, after the learning journey, you wish to meet with the teacher to discuss your child's academic progress, please schedule a meeting with them at a later date, either in person or by sending an email to administration [admin@aranmorecps.wa.edu.au](mailto:admin@aranmorecps.wa.edu.au) Thank you

## SPORT

### SWIMMING CLUB

Twenty children attended swim club on Tuesday morning making it another good turn-out for term 3. Everyone was also on time which is a real treat for the coaches who like to get everyone started and swimming at 7am. Thank you mums and dads for helping them to arrive on time, maybe last week's tip on getting ready the night before helped. I hope so.

Right well this week's tip is about nutrition, my specialty. It is really important for everyone to have a breakfast snack after swimming (after any exercise for that matter). So having something ready to eat in the car on the way to school will set you up for enhanced learning for the day. A honey and banana sandwich, maybe a boiled egg and some crackers, fruit is easy as well. We need to refuel after exercise to make sure our muscles are ready for the next round of exercise and our brains are ready for learning.

There will be no swim club on TUESDAY 29<sup>th</sup> August as it is pupil free day. Enjoy your sleep in and see you in the spring!

**Mrs Roslyn Soanes, Swim Club Coordinator**

## NETBALL

Dear Aranmore netballers – Congratulations to our Year 3 and 4 netballers who have finished their season. Best of luck to Year 5 and 6 who have one game to go. It has been amazing to watch you all this season and I am so proud of all our teams this year. Our club could not function without our volunteer coaches and managers so a big THANK YOU to all of you! Look forward to seeing you all on Friday 7<sup>th</sup> September for the End of Season presentation afternoon.

### Year 4 TEAM GOLD

Aranmore Gold played their very last game for the season on Friday afternoon against Wembley Downs. The team fought hard with only 7 players available and after a very scrappy, messy first quarter, they settled into a much more disciplined game. Aranmore finished off their final game 21 v 4 to make it 10 wins, 1 loss and 1 draw for the season. Isabela was named Coaches Special Mention for her adaptability across 4 positions throughout the game. Great final game Bela! Great season to the year 4's, ably assisted by Josh Lucano (yr 5). We have loved watching you grow as a team.

Coach Lisa

### Year 5 TEAM NAVY BLUE

Aranmore Navy Blue Team played North Perth Primary School Dynamites on Friday night in reasonable but very chilly weather. We played brilliantly from the start to finish of the game and the best thing was we led for the ball and played in front which led to us enjoying a great win 12-3

Coach Kylie

### YEAR 4/5 TEAM RED

Another consistent performance from Team Red to win against Kapinara 9-3. Our CIRCLE DEFENCE – Lexia, Emmy and AMALIA – Lexi and Emmy are always solid together – I have noticed you both leaning over the shot and holding your lean while the shooter shoots without falling in – no mean feat let me assure you – requires good balance and good core strength AND you both had great distance and gave away hardly any penalties – a great statistic for defenders – well done! AMALIA also have GK a go this week for the first time which was really great – you did do well Amalia in a new position. CENTRE COURT – Bianca, Evie, Jack, Amalia, Emmy – good ball movement in the mid court – we gave lots of opportunities to our shooters tonight and created many turnovers in the middle. GOAL SHOOTING team of Jack, Tyler and Amalia – good efforts tonight – not the most accurate of nights for us but we certainly put up lots of shots – be patient shooters and the accuracy will return.

Coach Jen

# Parent Concerns

Parents are welcome to discuss concerns of any kind, at any time. It is more efficient, considerate and convenient to both parents and teachers if an appointment is made, so that full attention can be given to the issue at hand. Please direct all classroom queries to the classroom teacher first. You may wish to discuss further concerns with one of the Assistant Principals or the Principal. The correct way to handle an issue or concern is to deal directly with the school. Avoid speaking with other parents, the School Board, other teachers and other parents including P&F and Classroom Representatives, as these people can not solve the issue for you. In most instances, your query can be dealt with swiftly by speaking directly to the classroom teacher.

## 1. Teacher

In most instances, parent queries are resolved by speaking directly with the classroom teacher first.

## 2. Assistant Principal

If the outcome of the teacher meeting was not to your satisfaction, you may request a meeting with the Assistant Principal. They may include the teacher in this meeting. A second follow up meeting may be scheduled at the conclusion of this meeting.

## 3. Principal

If you have exhausted all other means and are still not satisfied with the outcomes of the previous Assistant Principal meetings, schedule a meeting with the Principal via reception.

### Administration Queries

Queries regarding school fees, enrolment procedures, uniforms, code of conduct, newsletter, school hours and operations, parking issues etc. are to be directed to reception and the administration team will handle your queries

### Sacramental Queries

Queries regarding the sacramental program such as Holy Eucharist, Reconciliation and Confirmation go directly to the Parish. The sacramental programme is parish based, family focused and school supported.

### Student Queries

Queries regarding academic or social-emotional development go directly to the classroom teacher. This includes items such as; playground queries, homework, classroom protocols, class achievements, behaviour and school reports etc.

**At Aranmore Catholic Primary School parents work in partnership with the school and all decisions are made with the best intentions and in the best interest of all children.**
