## Unconditionally Loving

It's the kind of love that has no limitations. And it asks for nothing in return. You genuinely love people for who they are. For their true and honest selves. Raw and unfiltered, this magical love runs deep through you every waking moment of your life. And the people whom you give it to feel truly lucky to experience your love in their lives!

In the Church, June is known as the month of the Sacred Heart of Jesus, specifically celebrated today. For many it is an 'old' celebration, as it is usually depicted by a Renaissance picture. In fact, it is the celebration of Jesus' love for all of humanity. Tomorrow the Church celebrates the Immaculate Heart of Mary, her love for God the Father, her maternal love for her son Jesus, and her compassionate love for all people. Over the weekend, families might stop to reflect and discuss together the gift of 'unconditional love' shared in your families. What it means in family and how you show love for others in our community.

## ARANMORE CPS NETBALL CLUB

It's felt like a long time coming ... but we're back!

The Aranmore CPS Netball Club is looking forward to a cracking fireball season. At a duration of 10 weeks, we expect nothing short of a spectacular season - filled with fun and a wonderful team spirit!

It all kicks off with training next week, led by coaches Teresa (Year 2/3s), Sharon (Years 3/4 & 5), and Lisa (Year 6), with the able support of team managers Pip, Jocelyn/Julie, Helen and Jen.

The Club and School has put a huge effort into making this somewhat special season safe - though this unfortunately means that no parents or kids other than those involved in managing and playing can attend training, this is of course with everyone's health and well-being being our top priority.

Best of luck to the 4 teams in 2020!!!!

Jen, Sharon & Julie
