Today the Church celebrates the feast of the Sacred Heart of Jesus.

Make me humble, patient, pure and wholly obedient to Your will. Grant, Jesus, that I may live in Your love. Protect me, comfort me, assist me. Give me Your blessings in all that I do.

Dear Parents and Guardians

No such thing as spirits being dampened by drizzling rain, freezing winds and a wet track. Cross Country today was great fun. All students Years Three to Six having lots of fun running, slipping and sliding their way round Britannia Reserve. Thank you to all parents/guardians and family members who weathered the conditions, to cheer along the students!

As you are aware, reports from Pre-Primary to Year Six will be shared electronically this afternoon. If you are unable to access your child's report by Sunday afternoon or experience any other difficulty, please notify Mrs Ellen via email to the admin account.

Looking forward to celebrating the Year Five Class Mass next Friday. Hope to see parents/guardians and family members join us!

Next week is the final week for the LifeLink blanket appeal. A terrific response so far, two boxes are almost full. If you're able to contribute to the cause, please do so by next Tuesday.

A kind gesture and reach a wound that only compassion can heal.

Parents are reminded that students late to school, need to be signed in by an adult. The student then make their own way to class.

The end of year for students is confirmed that they will finish on Friday 13 December. The Office will be closed from 11am Friday 20 December and reopens on Monday 20 January. School for students will recommence on Monday 3 February 2020.

RELIGIOUS EDUCATION

THE BISHOPS' RELIGIOUS LITERACY ASSESSMENT 2019

At the request of the Western Australian Bishops, Year 3, Year 5 and Year 9 students in Catholic schools across Western Australia will take part in *The Bishops' Religious Literacy Assessment* (BRLA) from the week commencing Monday 5th August in Term Three. The assessment will be accessible to students only online.

Students enrolled in Year 3, Year 5 and Year 9 who are following a regular classroom program are expected to participate. Students with disability are also entitled to participate in the assessment. Exemptions may apply.

The Bishops' Religious Literacy Assessment is a large-scale, standardised assessment that consists of a series of Religious Education (RE) tests. The purpose of the BRLA is to measure student learning of the content in the RE curriculum. The test items in the BRLA are developed and marked by the Office of Catholic Education Western Australia (CEWA). Formal school and student reports are produced by the Office of CEWA and will become available to schools in Term Four.

The BRLA provides a 'point in time' snapshot of student performance in RE. Students' knowledge and understanding of the content of the RE curriculum is assessed using a combination of multiple choice, short and extended response items. Students' faith is not assessed. The use of the BRLA complements the school based assessment programs in RE.

Please contact your child's teacher if you have any inquiries regarding the administration of *The Bishops' Religious Literacy Assessment*.

REPORTS

Reports are paperless in 2019 they will be uploaded to SEQTA Engage today. If you need to see the class teacher regarding your child/children's report, please make an appointment.

"Some students will have progressed beyond the achievement standard; others will need additional support. The expected standard for each year is described as 'C'. Many students will be given the same grade in Semester 1 and Semester 2, even though their teachers will have observed growth in learning. Bearing in mind that work in Semester 2 builds on Semester 1, maintaining a grade indicates students have held their own in the face of more advanced material and in this way have grown in their learning"

NAIDOC WEEK 7th – 14th JULY 2019

NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support your local Aboriginal and Torres Strait Islander communities.

NAIDOC originally stood for 'National Aborigines and Islanders Day Observance Committee'. This year's theme: *Voice, Treaty, and Truth :Let's work together for a shared future* was three key elements to the reforms set out in the [Uluru Statement from the Heart](#). These reforms represent the unified position of First Nations Australians.

Next Thursday 4th July, Aranmore Catholic Primary School will celebrate NAIDOC Week. It is an opportunity for us as a school community celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.
